Dear Sir,

This is to certify that all Civil Works connected with PCAL's plant capacity augmentation project have been completed in all respects and handed over to us. You are requested to clear the site of all scrap, debris and vacate the premises of PCAL at the earliest. However, this certificate shall in no way clear you of your responsibilities under the defects liability clause of our Agreement and you shall remain responsible for rectification of any part of the construction found to be defective due to poor workmanship within the liability period.

Thanking you,

Yours faithfully,
